DIY Beauty Treatments With Ingredients Found In Your Pantry!

Cooking Well: Beautiful Skin

Description: Cooking Well: Beautiful Skin not only features delicious recipes high in anti-oxidants that improve your skin health and achieve beautiful and radiant skin from the inside out, it also includes 75+ "Beauty Bytes" which are recipes for DIY beauty treatments and remedies for various skin "woes" (dry skin, acne, puffy eyes, oily skin, fine lines, etc.). These beauty bytes provide amazing results and can be done on the comfort of your own home with all natural ingredients that can be found right in your pantry, all for a FRACTION of the cost of a spa visit! Elizabeth's holiday inspired all natural DIY Beauty Treatments could provide your readers with beautifying recipes made from typical holiday ingredients such as an Antioxidant Apple Pie Face Mask, a Honey Pumpkin Repairing Mask or a relaxing Cinnamon Foot Indulgence.
